

FOR THE LOVE OF TEACHING

HOW MINORITY SERVING INSTITUTIONS ARE DIVERSIFYING AND TRANSFORMING THE PROFESSION

With growing concerns over the significant achievement gap for students of color across the K–12 spectrum, we must ask ourselves how our education systems can successfully recruit, prepare, and retain teachers of color. Join Alice Ginsberg, Marybeth Gasman, and Andrés Castro Samayoa as they discuss their new book *For the Love of Teaching: How Minority Serving Institutions Are Diversifying and Transforming the Profession*. This webinar will dive deep into why teachers choose teaching, the expectations they hold for students they teach, and how Minority Serving Institutions (MSIs)—nearly 800 colleges and universities across the nation—model new and innovative approaches.

TUESDAY, APRIL 25, 2023

11:00 AM - 12:30 PM ET

Workshop is free to the general public and will be held virtually on Zoom.
